

Special Announcement

Logo Design Competition

The TVCUC Board of Directors has approved a design competition to select a new logo for the **Tellico Village Computer Users Club**. The intention is to choose an appropriate logo to help brand the club and the good works we do for our members and the community.

The board has approved to award the winner of the design contest with a minimum of one year's **paid membership in TVCUC and a \$25 cash prize**.

The logo on our newsletter represents Tellico Village. We are proud to be a part of this great community and believe that logo is excellent for its intended purpose of branding the Village generally; but, we believe the club needs a logo of our own, one that will come to represent the goals, aspirations, and achievements of our club. The new logo will be used in all manner of communication from the TVCUC including our newsletter, our website, our brochures, and in reference to the club on **TellicoLife**, and other public media as appropriate. The logo will become our new brand identification.

We seek an original logo design that must be tasteful and should embody a motif that reflects positively on the club and the local community. Our [website](#) may serve as a source of inspiration in this regard.

The competition is open to all individuals who may choose to apply, whether or not club members. The application deadline is **August 31, 2018**. All entries shall become the property of the TVCUC without restriction, attribution, or further consideration. Prior to award, the winner may be required to sign a waiver assigning all rights of the design to the TVCUC.

Applications (one entry per applicant please) must be submitted on one standard letter-sized sheet of white paper to:

TVCUC-TAP (Logo Contest)
244 Lakeside Plaza
Loudon, TN 37774

Each application must include the entrant's name, address, email address, and phone number along with the logo-design submission.

Submissions will be evaluated and ranked by a special committee appointed by the TVCUC Board of Directors. A winning logo will be selected among those submitted, and the decision will be final. The winner will be notified and announced at the October TVCUC General Meeting, where the prize award presentation will be made.

Deadline: 31 Aug 18
